

MARTIN BURKE JOINS INTEGRATED SOLUTIONS MANAGEMENT, INC (ISM)

Martin Burke assumes the lead role as the Executive Vice President for Federal Government Solutions at Integrated Solutions Management, Inc.

Tampa, Florida, April 1, 2009 – Integrated Solutions Management, Inc. (ISM) announces that Martin Burke has assumed the role of Executive Vice President and Chief Strategy Officer. Through over 30 years of experience, he has earned the status of “Trusted Advisor” to many critical decision makers in both the public and private sectors. Marty brings strong sales, marketing, financial and operations experience in successfully scaling organizations, infrastructure and technologies in to the ISM sales and solution delivery teams. Marty graduated from the New York University Business School and holds a Juris Doctorate from New York Law School.

In addition to Marty Burke’s extensive business experience and success, he brings a host of management and board level credentials, including: elected to Board of Directors of AFCEA International 2007, elected to Board of Directors of George Mason University School of Performing Arts 2004, named Technology Advisor to CIO of United Negro College Fund 2007, served on the Board of Directors of the National Retail Federation, and served 6 years on United Nations Business Council.

Ben High, Chief Operating Officer, stated, “Marty brings diverse and in-depth experience as a sales and business strategist, alliance builder, and technology architect. We are excited about the energy, contacts, and success that Marty brings to the ISM family.”

Prior to joining ISM, Marty served as the President, Public Sector for Intact Technology, Inc.

Since its founding in 1991, ISM has helped corporations improve IT strategy, performance, and alignment with the enterprise, ultimately maximizing the value IT brings to the enterprise by helping clients more effectively manage the business of IT.
